I LIKE DIFFERENT BOOKS WITH DIFFERENT LOOKS (PAPERBACK)

Trafford Publishing, United States, 2012. Paperback. Book Condition: New. 292 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This picture book is designed to be read to young children, read together with young children, and read independently by young children. The repetitive sentence starter I like books provides a degree of predictability as well as a positive view of books. The topic for each page is relevant to young children and/or provides a stimulus for asking questions and finding out new information. The illustrations assist with making meaning of the simply worded text, and provide a backdrop for each page that is bound to spark children s imaginations. The selection of the two characters ensures that there is a gender balance as well as representation from both Caucasian and Asian backgrounds. The rhyming of the last word in each line acts as a reading prompt and can also be used to brainstorm additional rhyming words. In this way, the book is also suitable as a reader for students in countries in which English is not the first language.
