What I do is very similar to what ice cream manufacturers do. I produce the same product again and again with essentially the same ingredients but with different flavors. The flavor of this month is atheism. The approach will be somewhat different. Atheism is more of a state of mind than an organized swindle as is religion, my usual target. Nonetheless atheists have stuck their noses into the god fraud business and they themselves are not above criticism. At least atheists got something right which is more than you can say of the religions. There is no such thing as god on 99 per cent of this planet. Its like the old adage in reverse: if the first button on the shirt is not in the right hole, none of the rest will be. If the first button is, voila! Thats all god is, the first button. You cant stop there. Religions in their perfect mix of arrogance and ignorance have been impacting on human behavior for a very long time. We see the results. Some examples. The Muslims are responsible for the murder of 100 million black Africans, mostly boys, adolescents, and females slaughtered during 12 centuries of slave-trading, and 80 million Hindus, who simply wanted to be left alone. The Christians dont quite match those numbers in their heist of the Americas and introducing never-ending butcheries into Europe. What are the atheists numbers Just taking the Soviet Union, Red China, Cambodia, and North Korea, I would never have guessed that they too werent led by prelates. Theres the rub. The second button is your social program. Contents 1 The God...
