## MY SON AND THE AFTERLIFE: CONVERSATIONS FROM THE OTHER SIDE

Beyond Words Publishing. Paperback. Book Condition: new. BRAND NEW, My Son and the Afterlife: Conversations from the Other Side, Elisa Medhus, Erik Medhus, Until her son Erik committed suicide at the age of twenty, Dr. Elisa Medhus never believed in life after death. But all of that changed when Erik began communicating with her from the other side. As an accomplished physician, Dr. Medhus had placed her faith in science. But the tragedy surrounding her son's death forced her to seek answers, to ask those universal questions we have all asked ourselves: Is there life after death? Do the dead communicate with the living? In My Son and the Afterlife, answers are finally revealed. Through a series of conversations, Erik reveals a compendium of new knowledge on the nature of death and afterlife, the abilities and activities of the soul, and the powerful experience that love knows no boundaries-not even death.
