It is just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

Brand New Book ***** Print on Demand *****.Excerpt from Biennial Report of the Attorney General of the State of California: 1904-1906 Sir: I have the honor to transmit to you herewith my biennial report, made pursuant to the provisions of law in that behalf, covering the work of this office for the two years ending September 15, 1906. It will be observed that, up to the middle of April of the present year, the routine business of the department has shown a constant growth in volume, quite consistent with the growth of the State and its manifold material interests. Subsequent to the date mentioned, there has been a temporary lull in ordinary routine affairs, owing to the destruction of court records and the interruption of judicial and commercial functions throughout the State by the recent disastrous conflagration in San Francisco. These routine matters have, however, been more than compensated for, during the past six months, by the large number of matters of extraordinary character that have come before me, requiring the closest attention and application of every member of my office force. Without entering into detail, these matters may be summarized by a reference to the insurance situation; to the governmental questions arising from the long series of holidays necessarily proclaimed by your Excellency; to the confusion arising from lost or destroyed public records; and to the duties attendant upon the special session of the Legislature called to pass laws to meet the abnormal conditions caused by the recent calamity. The division of the work of the office into three separate channels has been maintained, as far as possible, viz: into civil litigation, criminal appeals, and opinions. At the date of my last biennial...
