

Second Nature: A Gardener s Education

By Michael Pollan

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 168 x 134 mm. Language: English . Brand New. In his articles and in bestselling books such as *The Botany of Desire*, Michael Pollan has established himself as one of our most important and beloved writers on modern man s place in the natural world. A new literary classic, *Second Nature* has become a manifesto not just for gardeners but for environmentalists everywhere. Chosen by the American Horticultural Society as one of the seventy-five greatest books ever written about gardening, *Second Nature* captures the rhythms of our everyday engagement with the outdoors in all its glory and exasperation. With chapters ranging from a reconsideration of the Great American Lawn, a dispatch from one man s war with a woodchuck, to an essay about the sexual politics of roses, Pollan has created a passionate and eloquent argument for reconceiving our relationship with nature. *Second Nature* reads like brilliant entertainment, but it is serious wisdom. Michael Pollan is a genuine heir to my favorite nature writer, Mark Twain. Simon Schama, *The Boston Globe*.
