Every course offered by this school is intended to help the student to become a more efficient teacher. The calendar year is divided into four terms, any three of which make a school year. The Summer Term is on the same basis as the other terms. The entire school plant is in full operation, and every opportunity is given to the students who attend the Summer Term that the school is able to offer at any other term. Scope Of Work The specific work of this school is to prepare teachers for any phase of school work in the primary and grammar grades anything below the high school. The courses of study offered for the 1920 Summer Term fit into the new scheme of the State Department of Education for the training and certification of teachers. Each course has a distinct value in the new salary schedule, and the State Board of Examiners will give definite credits for satisfactory work in any of these courses. The State Board of Examiners considers three Summer Terms in this school the equivalent of one years work in a standard college, therefore teachers should plan to begin a series of summer term courses this summer in order to get the benefit of the new salary schedule as soon as possible. Three Summer Terms in this school are considered the equivalent of four six-weeks summer schools. Those Who Should Attend Our Summer Term 1. All teachers who have at any time taken any part of...
