

Empowered Pregnancy (Paperback)

By Theodore M Peck, Vicki Peck, Vicki A Peck

Frederick Fell Publishers Inc, 2003. Paperback. Book Condition: New. 227 x 164 mm. Language: English . Brand New Book. Even though they and their babies have never been safer, pregnant American women are frequently subjected to needless anxiety, excessive medical testing, incorrect or misleading information, and an outrageously high cesarean rate, all under the guise of modern obstetric care. It doesn't have to be this way. American obstetric care is in need of major changes and pregnant women have the power to make those changes. Empowered Pregnancy will show American women how to use their power to get the most satisfying experience from their pregnancy and delivery.

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
