GRIN Verlag Sep 2008, 2008. Taschenbuch. Book Condition: Neu. 236x156x25 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,7, University of Paderborn, course: Narratives of London, 12 entries in the bibliography, language: English, abstract: Some people say you can only experience London as you walk it. Others say that riding the London Tube gives you the real picture of the city as you receive different perspectives. Indeed, the world's oldest and largest underground, is one of the city's most prominent and prototypical features. For more than 140 years, a diverse range of people such as tourists, visitors, provincials and commuters have travelled the metropolis by underground. Yet all of them for the same reason: to get from one place to the other. From the opening of the first line in 1868, the London Underground also attracted the attention of many writers who depicted this means of transportation in their works. In fact, the London Underground still fascinates many contemporary authors such as Doris Lessing and Charlie Higson. Reading Lessing's In Defence of the Underground or...
