

The 4th Revolution: How the Infosphere Is Reshaping Human Reality

By Luciano Floridi

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Who are we, and how do we relate to each other? Luciano Floridi, one of the leading figures in contemporary philosophy, argues that the explosive developments in Information and Communication Technologies (ICTs) is changing the answer to these fundamental human questions. As the boundaries between life online and offline break down, and we become seamlessly connected to each other and surrounded by smart, responsive objects, we are all becoming integrated into an infosphere. Personas we adopt in social media, for example, feed into our real lives so that we begin to live, as Floridi puts in, onlife. Following those led by Copernicus, Darwin, and Freud, this metaphysical shift represents nothing less than a fourth revolution. Onlife defines more and more of our daily activitythe way we shop, work, learn, care for our health, entertain ourselves, conduct our relationships; the way we interact with the worlds of law, finance, and politics; even the way we conduct war. In every department of life, ICTs have become environmental forces which are creating and transforming our realities. How can we ensure that we...
