Page Publishing, Inc., United States, 2014. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this exciting new spin on the memoir, Bernie Smith takes the opportunity of a world cruise with his beloved wife Judy to reflect on his past, his professional success and his personal philosophy on life and faith, both in quiet moments by himself and in conversations with fellow passengers on the trip. From a hardscrabble upbringing on Long Island, Smith eventually became a great success in the field of computer programming. It all started when he was accepted into Fairfield Prep in Connecticut even though his family could scarcely afford it, where the Jesuits taught him about faith in God that reinforced his childhood Catholicism and sustained him for the rest of his life. From there, he achieved all the status symbols a young boy from humble roots could hope for: an executive title, a mansion, a wife and kids. But it all began to seem much less important after a diagnosis of pancreatic cancer that nearly killed him in middle age. While recuperating in Florida, Bernie met Judy, a ray of Southern sunshine who gave his life new meaning. Instead of being afraid of germs, health problems and other threats to his health and wealth, Bernie undertakes a new adventure - all the while bringing with him the lessons and wisdom from his past.
