Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

Ancient prophets, you know, did not merely reiterate what their predecessors had taught, but spoke hidden wisdom, even things that had been kept secret for many generations; because the spirit by which they were moved had knowledge of all truth, and could disclose and reveal as it seemed wisdom in God. Still he was a revelator and seer approved of God. And is it a thing incredible with you, brother, that before the great sabbatic era, world's rest, or millennium, God should raise up a prophet to prepare the people for that event, and the second coming of Jesus Christ?
