Life for Cristal has been upside down for a long time. She can't even remember a time before the war began. Before potatoes for every meal and bombs raining down from the sky. Before being forced to shelter in the dark, damp cellars. Then one day, Cristal's home is turned into a pile of rubble and dust five metres high. But a chance offer saves her family. They move to the safety of a wealthy suburb, camping out amongst the chandeliers and family portraits of someone else's house. That is until the dreaded Russians roll into Vienna and move in too. It includes exclusive material: in the Backstory you can test your knowledge of the book, and learn more about the Second World War; Vintage Children's Classics is a twenty-first century classics list aimed at 8-12 year olds and the adults in their lives; discover timeless favourites from The Jungle Book and Alice's Adventures in Wonderland to modern classics such as The Boy in the Striped Pyjamas and The Curious Incident of the Dog in the Night-Time.
