Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Everett Stanton)

MADDY'S DOLPHIN

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Maddy's Dolphin, Imogen Tovey, When Maddy and her brother CJ arrive at Loutraki Bay for their annual summer break, they are looking forward to long days waterskiing with their dad and most of all, swimming with Indigo, the local dolphin. But Indigo is no ordinary dolphin: he is able to speak to certain humans, and has been with Maddy ever since saving her from drowning when she was a toddler. And this time, he has an urgent message to tell her: the dolphins are under threat from a mysterious underwater noise that interferes with their sonar, causing them to lose their way at sea. Maddy and CJ soon discover that the source of the noise is the American submarines, which have come to Greece to prevent attacks on the NATO summit in Athens. When the US President and his daughter arrive in Loutraki, Maddy and CJ see their chance to alert him to the dolphins' plight; but persuading him to call off the submarines will take a very risky plan.
