Reviews

Excellent eBook and useful one. It can be rally fascinating throgh looking at period. You can expect to like just how the blogger create this publication.

(Myrl Schmitt)

WHEN WE WAKE

Little, Brown Books for Young Readers. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.2in. x 5.4in. x 1.0in. My name is Tegan Oglietti, and on the last day of my first lifetime, I was so, so happy. Sixteen-year-old Tegan is just like every other girl living in 2027--shes happiest when playing the guitar, shes falling in love for the first time, and shes joining her friends to protest the wrongs of the world: environmental collapse, social discrimination, and political injustice. But on what should have been the best day of Tegans life, she dies--and wakes up a hundred years in the future, locked in a government facility with no idea what happened. Tegan is the first government guinea pig to be cryonically frozen and successfully revived, which makes her an instant celebrity--even though all she wants to do is try to rebuild some semblance of a normal life. But the future isnt all she hoped it would be, and when appalling secrets come to light, Tegan must make a choice: Does she keep her head down and survive, or fight for a better future? Award-winning author Karen Healey has created a haunting, cautionary tale of an inspiring protagonist living in a not-so-distant future that could easily be our own. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
