

## Children and families

By Paul Michael Garrett

Policy Press. Paperback. Book Condition: new. BRAND NEW, Children and families, Paul Michael Garrett, Recent years have witnessed a number of 'child protection' scandals where children, often from the poorest and most marginalised communities, have been on the receiving end of violence, abuse and social harm. Here, Paul Michael Garrett looks at the impact of marketisation of social work services in both Ireland and England. He argues that marketisation has had a negative impact on policy regimes, working conditions, social work practices and on the services for vulnerable children and young people. Leading researchers from across the globe contribute to the debate and provide additional evidence from a range of policy regimes that catalogue the negative impact neoliberalism has had on children's services.
