Laina Danvers was just a child when her parents died, and she was taken in by her father's kindly foster mother, Gram. Though the rest of her adoptive family scorned her as an outsider, Gram and her grandson Ian always loved Laina like she was one of their own. Now Laina is all grown up and a foster parent in her own right, to a little girl named Jada whose upcoming adoption by strangers is sure to break Laina's heart. But Laina faces the prospect of another devastating loss when Gram's health begins to fail. As she has so many times before, Laina turns to Ian for advice, only to find that her feelings for her handsome, warm-hearted friend have changed, deepening into a love that could transform her life or ruin her dearest friendship. When Laina and Ian come together at the family summer home on the windswept shores of Hatteras Island, the sparks igniting between them cannot be ignored. But with stakes as high as these, can they overcome their fear of heartbreak to claim the promise of love?.
