iUniverse, United States, 2012. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.This companion volume to How to Treat Your Dogs and Cats with Over-the-Counter Drugs serves as a reference for pet owners and continues Dr. Robert Ridgway s primary goal of offering an easy-to-use guide that enable them to correctly use over-the-counter (OTC) drugs to treat their ailing pets. Dr. Ridgway offers a complete description of many common disease conditions that owners can either treat or prevent with OTC drugs. Easy to read and understand, this resource describes common conditions in pets simply, including surgical site issues, euthanasia or humane death, bleeding wounds, pain and how to identify it, oral warts, stings from insects, issues of the teeth, aging pets, and many more that occur frequently in cats and dogs of all ages and breeds. Each ailment is followed by a treatment and a prevention for the condition described. The treatment gives the dosage needed to cure the illness and tells the reader where they can purchase the product to treat the medical condition. The choice of medical treatment for pets is a decision that pet owners alone can make, but with this reference, they have a unique guide describing what to do and where to find the over-the-counter drugs they need to make their pet well.
