Every culture. Every church. Every Christian. What an incredible privilege and responsibility! And yet, believers have been arguing about music since the days of the early church. Why is this? Perhaps we rely on our traditions, personal tastes, cultural backgrounds, or the latest trends more than God's Word. *New Heart, New Spirit, New Song* attempts to reorient our thinking in fundamental ways about: the nature of music the heart of worship the role of music in the Christian's daily life music in missions In these pages you will find simple, direct help in making your musical praise reflect the glorious Saviour you worship. Doug speaks with refreshing clarity to an essential issue: the theology behind sound communication. *New Heart, New Spirit, New Song* reawakens the honest reader to simple truths God intends to be obvious: a refreshing and timely help. Dr. Phil Gingery, Assistant Pastor and Minister of Music, Bible Baptist Church (PA); Music Director, West Chester Christian School Having witnessed first hand the author's work and ministry, we have anxiously awaited such a publication of his lectures on Biblical music. A well-articulated and accessible resource for developing a theologically sound and God-honoring music program.
